Tropical Spinach

Wasabi Mustard

A close-up photograph of a dense cluster of variegated lettuce leaves. The leaves are primarily light green with prominent yellow and white variegation along the edges and veins. The texture appears slightly waxy and smooth. In the upper right quadrant, a small, distinct sprig of green leafy vegetable, possibly a different variety of lettuce or a herb, is visible. The background is dark and out of focus, making the vibrant colors of the lettuce stand out.
